Four years have passed. We have watched three classes graduate before us. Now it is our time to leave. We leave behind us the physical aspects of L.H.S. and with us take the memory of good times and bad. Silently we look at L.H.S., a symbol of strength and glory.

Our paths separate on this day and yet we are still bonded by the past and L.H.S. So, we, the class of '67 bid a fond farewell to Lakin High School.

We take this moment of final adieu to express appreciation to the faculty who has guided us through our academic life, building our character for the future.

The last page of our annual is completed. We the staff are both exhausted and exhalted.

We sincerely hope that we have recorded this year 1966-67 accurately with good taste and in a dignified matter. There are many people we wish to thank for their help and never ceasing patience-teachers, administrators, club officers, and especially our photographers. Perhaps most important we wish to express our sincere thanks to our advisor. Mrs. Lavonna Martin for not forsaking us and teaching us so much
